Independent auditor's report

To the Shareholders of Dialog Finance PLC

Report on the audit of the financial statements

In our opinion, the accompanying financial statements give a true and fair view of the financial position of Dialog Finance PLC ("the Company") as at 31 December 2020, and of its financial performance and cash flows for the year then ended in accordance with Sri Lanka Accounting Standards.

What we have audited

The financial statements of the Company, which comprise:

- the statement of financial position as at 31 December 2020:
- the statement of profit or loss and other comprehensive income for the year then ended;
- the statement of changes in equity for the year then ended; • the statement of cash flows for the year then ended; and
- the notes to the financial statements, which include a summary of significant accounting policies.

Basis for opinion

We conducted our audit in accordance with Sri Lanka Auditing Standards (SLAuSs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

We are independent of the Company in accordance with the Code of Ethics issued by CA Sri Lanka (Code of Ethics), and we have fulfilled our other ethical responsibilities in accordance with the Code of Ethics.

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters

Refer to the accounting policy Section 5.3: Impairment of financial assets and Notes 10 and 22 to the financial statements.

As at 31 December 2020, total gross amount of loans and advances amounted to LKR 879 Million, with a total allowance for impairment of LKR 73 Million. Total net amount of loans and advances

contribute 25% to the total assets. The Company uses the Expected Credit Loss model (ECL) to determine the impairment allowance for loans and advances to customers. The impairment of loans and advances using the ECL

model was considered as a key audit matter due to factors such as: The ECL model involves complex calculations with key variables

requiring significant management judgment

- The magnitude of the reported amounts of loans and advances to customers and the impairment allowances thereof
- The determination of loss rates on a number of new products being based on limited historical information.

Recognition of deferred tax asset on tax losses carried forward. Refer to the accounting policy Section 5.16 (a): Income tax and Notes 15 and 29 to the financial statements.

The net deferred tax asset as at 31 December 2020 amounted to LKR 124 Million with a deferred tax asset on carried forward tax losses of LKR 123 Million. Additional deferred tax asset recognised and credited in the statement of profit or loss and other comprehensive income during the year relating to the carried forward tax losses amounted to LKR 112 Million.

The recognition of deferred tax assets on tax losses carried forward

- The history of recent losses requiring convincing other evidence that sufficient taxable profit will be available in the future against which the unused tax losses can be utilized before the time period on carry forward tax losses expire
- The magnitude of the reported amounts in the statement of financial position as net deferred tax assets and in the statement of profit or loss and other comprehensive income as
- Estimation of future taxable profits which involves significant management judgment and assumptions.

How our audit addressed the key audit matter

The audit procedures performed to assess the adequacy of the impairment allowance for credit losses on loans and advances to customers in line with SLFRS 9 adopted, included the following:

- Understanding, evaluating and testing the design and operating effectiveness of controls in the lending and credit risk mitigation process;
- Assessing the appropriateness of the criteria used by management to determine whether customer credit facilities are impaired; Assessing the appropriateness of the design and
- implementation of the ECL model, including the reasonableness of the significant assumptions made by management and the quality of observable data, which included, cash flow estimates, discount rates and expected recoveries when defaults occur; Comparing the macro-economic and other forward-looking
- information used and updated by the management, against reliable publicly available information of the current economic
- Checking the underlying calculations and data on a sample basis for accuracy and completeness;

 $Management\ is\ responsible\ for\ the\ other\ information.\ The\ other\ information\ comprises\ the\ information\ included\ in\ the\ Annual\ Report\ for\ the$ year ended 31 December 2020 ("the Annual Report") (but does not include the financial statements and our auditor's report thereon). The Annual Report is expected to be made available to us after the date of this auditor's report.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or

Our opinion on the financial statements does not cover the other information and we do not and will not express any form of assurance

otherwise appears to be materially misstated. When we read the Annual Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter

to those charged with governance. Responsibilities of management and those charged with governance for the financial statements

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with Sri Lanka Accounting Standards and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a quarantee that an audit conducted in accordance with SLAuSs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SLAuSs, we exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion forgery, intentional omissions, misrepresentations, or the override of internal control
- · Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control
- · Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by
- · Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with ethical requirements in accordance with the Code of Ethics regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other legal and regulatory requirements As required by section 163 (2) of the Companies Act, No. 07 of 2007, we have obtained all the information and explanations that were

required for the audit and, as far as appears from our examination, proper accounting records have been kept by the Company,
